

Getting Your Camper to the Camp on Time!

We want to remind all parents that the Massachusetts Junior Conservation Camp is held in Chesterfield, Massachusetts (not in Northboro, where the paperwork is sent).

Chesterfield is about ½ hour's driving time west of Northampton, Massachusetts. Here is a link to the downloadable directions, or you can plug 22 Sugar Hill Road, Chesterfield, 01012 into your GPS.

All parents have been mailed information indicating their preferred arrival time on Sunday, August 10, 2008. Please do your best to arrive at your assigned time. Under no circumstances, if you run into bad traffic, should you give up and try to bring the Camper the next day, as he or she will have missed the start of some programs.

Here is a schedule of the assigned groups and times:

Group F checkin	Noon to 12:45	(this group is generally boys 16 and 17)
Group E checkin	12:45 to 1:30	(this group is generally boys about 15)
